

12-Month AI Transformation Roadmap

Instructions: score each dimension from 0 (not started) to 5 (operational). Record the owner, target date, evidence, red flags, and the next action. Use the completed assessment in an AI7Lab readiness workshop.

Dimension	Score	Owner / target	Evidence and next action
Readiness audit	0-5		
Opportunity portfolio	0-5		
Data foundations	0-5		
Governance foundations	0-5		
Controlled pilots	0-5		
Production platform	0-5		
Sector workflows	0-5		
Measurement	0-5		
IP creation	0-5		

Scoring: 0-20% Initial; 21-40% Emerging; 41-60% Defined; 61-80% Operational; 81-100% Optimized.

Red flags: no accountable owner, no representative evidence, unclear decision authority, untested failure paths, or no rollback and incident process.
